

# **Long Beach Harbor High Points Series 2020**

**The host clubs of the Long Beach Harbor High Point Series (LBHHPS) will again be introducing a series for 2020. There will be 4 races included for high point scoring. The included races are as follows:**

**SYCLB Dog Days of Summer Race 8/1/2020**

**SIBYC Point Fermin Race 8/22/2020**

**NYCLB All Hands Race 9/12/2020**

**LSFYC Beat the Heat Race 9/26/20**

**Points will be awarded based on the number of boats beaten in your class including points against DNF, DSQ and OCS boats. DNC and DNS boats will not be included in calculating points for each race.**

**Individual race entries must be submitted to the host club for each High Points Series race. All boats that enter any of the above races will automatically be included in the Long Beach Harbor High Points standings. Obviously, the more races you and your competitors enter the more points it will be possible for you to score. Trophies will be awarded to the top 3 boats and also for each class winners at the Navy Yacht Club Long Beach after the last race on 9/26/20.**

**For more information or questions,**
